

# **Christine David**

## ***Atherton City Council Candidate***

**<https://christine4council2020.com/index.html#perspectives>**

**Christine David did not respond to our Peninsula Dog PAC Questionnaire. However, she has a long record of fighting for dog access issues in Atherton as a park and recreation commissioner. She even resigned in protest when the City Council eliminating off leash dog access to Atherton's Master Plan.**

**Below is copied from her campaign website.**

### **Off-Leash Dog Area at Holbrook Palmer Park**

#### **History of the Project**

In the 2015 HP Park Master Plan, funded by tax dollars, there was only one recommendation; that an off-leash dog area in Holbrook-Palmer Park be built and, as is tradition, funded by resident donations. While Vice Chair of the Park and Recreation Committee, I collaborated with the chair, councilmembers, residents and staff generating a business plan for a fully resident funded, financially sustainable, member only, secure, safe, clean and enclosed off-leash dog area at HP Park.

After a disappointing and surprising town council response opposing an off-leash dog area and removing it from the Town of Atherton's Master Plan, I decided to resign to move forward with this project while running for Atherton Town Council.

**Town Council Meeting Video, Dated Nov. 20, 2019**  
(see the website for this)

**More Information**

For further information regarding the history of this proposed project please view the following news articles: **(MUST GO TO CHRISTINE DAVID'S WEBSITE for the LINKS)**

**Atherton committee considering off-leash dog park postpones meeting**

**Atherton committee to weigh off-leash dog park at Nov. 6 meeting**

**Atherton committee members resign over City Council's dog park decision**

For all details relating to the Town Master Plan associated with this proposed project please view the following:

**Park and Recreation Committee Proposal**

**Holbrook-Palmer Park Master Plan Revised per November 20, 2019 Council Action (off-leash dog area removed)**

To express your support for this requested and needed off-leash dog area at Holbrook-Palmer Park, please [email](#) Christine **(ON THE WEBSITE LINK ABOVE)** and fill out the form below. Only one vote per name and e-mail address. Please share our campaign with your friends and neighbors who love dogs in and around Atherton. Ask them to make a difference by supporting as well. All data is confidential to our secure contact database. The only thing we ask is that you allow us to share the total number of off-leash dog park supporters with the new Town Council, after November 3, 2020!
