

Peninsula Dog PAC Questionnaire

1. Do you have a dog? If so, where are your favorite places to walk your dog?

No. I like walking with other's dogs in Pacifica (Esplanade Beach), and where ever else I get to meet them.

2. What parks, schools, open spaces and trails in San Mateo County do you think people should be allowed to walk dogs on-leash and/or off-leash?

Without getting into details of locations, the list of spaces allowed to walk dogs on-leash should be much more than much less.

3. Do you support on-leash dog walking access at Rancho Corral de Tierra (Golden Gate National Recreation Area site on the coast)?

People have been walking their dogs there off leash for decades. If on-leash is the only option now, I support it. I feel dogs that are responsive to commands should be able to be off leash at least some parts. I truly don't fully understand why this is such a problem.

4. Do you support providing opportunities for voice control dog walking at Rancho Corral de Tierra?

Yes.

5. Is there anything else you would like voters to know about your position on recreational dog walking access?

I think trails should be for tails much more than they are now. Over my life, I have met very few people that are afraid of dogs for what ever reason, but most people I know, like me, love dogs dearly.
