

# Peninsula Dog PAC Questionnaire

## **1. Do you have a dog? If so, where are your favorite places to walk your dog?**

I do not have a dog.

## **2. Palo Alto allows dogs on all trails in open space preserves except weekends and holidays at Foothill Park. Do you believe:**

- (a) There should be some off-leash trails.
- (b) Foothill Park should allow dog access on weekends and holidays.
- (b) The amount of off-leash trails (none) and on-leash is just right.
- (c) There should be no off-leash trails and fewer on-leash trails.

**Please explain your choice.**

- A) I believe there should be some designated off-leash trails to allow space for dogs to roam around with more freedom.
- B) Should be explored.

## **3. Palo Alto has small fenced in off-leash dog areas in Greer Park, Hoover Park and Mitchell Park: Do you believe:**

- (a) Additional parks (or more area in these parks) should allow dogs off-leash.
- (b) This is the right amount of off-leash dog parks for Palo Alto
- (c) One or more of these parks should no longer allow dogs off-leash.

**Please explain your choice.**

- A) I believe that additional parks should allow dogs off-leash. There should be more than 2 parks that allow off-leash dogs.

## **4. There is a proposal to test off-leash hours at two Palo Alto parks (other than the fenced in dog run areas at Mitchell, Greer and Hoover parks). Do you support this proposal? Do you support the overall concept of limited off-leash hours at some Palo Alto parks? Please elaborate.**

I support the proposal to test off-leash hours. I support the overall concept of limited off-leash hours at some Palo Alto parks as long as it is clearly stated for public awareness. Although I do not have a dog, I understand how important it is for owners to be able to have space for their dogs to have more freedom and less restriction.

## **5. Do you believe there are Palo Alto parks, trails and open space that should no long permit dogs on-leash? Please elaborate.**

I believe that there should be a decent amount of Palo Alto parks, trails, and open space that allow dogs on-leash as well as off-leash.

## **6. Is there anything else you would like voters to know about your position on recreational dog walking access?**

I support true dialogue with all conversations. It is important to properly evaluate what the residents of Palo Alto want in regard to this topic. I support a fair and reasonable approach to recreational dog walking access.
