

Peninsula Dog PAC Questionnaire

1. Do you have a dog? If so, where are your favorite places to walk your dog?

No, the landlord does not allow it.

2. What schools, open spaces and trails in Redwood City do you think people should be allowed to walk dogs on-leash and/or off-leash?

I think dogs should be allowed to be walked, while on-leash, through public schools, when no school or after-school programs are being held. If this turns out to be a problem, then council can retroactively change policy to not allow for dogs, but it should be tried first. For open spaces and trails, I think dogs should be permitted on-leash as long as there are no horses permitted in these areas. If there are horses permitted, then dogs should not be allowed.

3. Stulsaft Park allows dogs on-leash throughout the park and off-leash on a little under half the park. Do you believe:

- (a) **The amount of off-leash is right**
- (b) **There should be more off-leash**
- (c) **There should be less off-leash**

Please explain your choice.

I think (a) is the best response. I think dogs should be kept on-leash in certain parts of the park where children are densely populated, but can be let off-leash in other areas where they pose less of a danger to children.

4. Redwood City currently permits dogs on-leash in all parks other than ball fields.

- (a) **Do you believe any Redwood City parks (other than Main Street Dog Agility Park, Shore Dogs Park and parts of Stulsaft Park) should allow dogs off-leash. Please elaborate?**

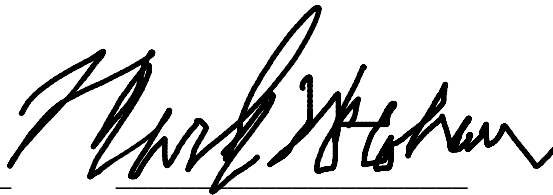

No, I would uphold the current policy to prevent any dangerous encounters between dogs and children.

- (b) **Do you believe there are Redwood City parks (other than ball fields) that should no longer permit dogs on-leash? Please elaborate?**

No

5. Is there anything else you would like voters to know about your position on recreational dog walking access?
